Setup The Device Via Google Home

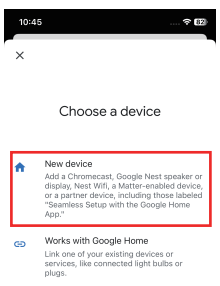

1. Log in the Google Home app and go to the ‘Device’ page.

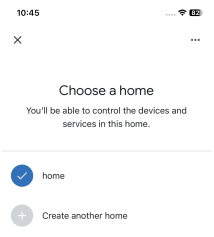

2. Tap ‘+ Add’ icon and then select ‘New device’ to add a new device.

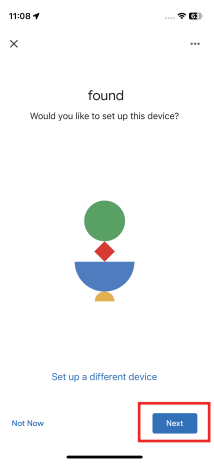

3. Select ‘Home’ and then tap ‘Next’.

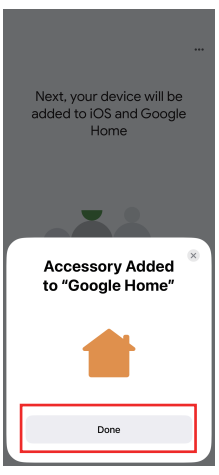

4. Wait for the device found and then tap ‘Next’.

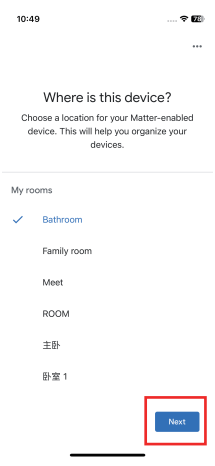

5. Scan the QR code on the device.

6. Wait for the connection to complete and then tap ‘Done’.

7. Select the location and then tap ‘Next’.

8. Tap ‘Done’ to complete the settings.
